Notification dated 9—14th April 1924.

The preparation and assortment of sandalwood in 18 classes in the Chikmagalur Koti for the year 1924-25, will be given over on contract and the rate per ton of prepared wood will be decided by public competition at 2 P.M. on 26th May 1924, by the District Forest Officer, Kadur Division at the Chikmagalur Koti.

N.B.—The work of preparation and assortment will include, weighing out and taking of rough wood, smooth dressing of the same, assorting it into 18 classes, weighing out of the assorted wood and lotting it inside the Koti room.

The intending bidder will place a deposit of Rs. 50 in currency notes before he is permitted to bid. The deposits of unsuccessful bidders will be returned soon after the competition is over. The District Forest Officer will be at liberty to accept or reject the lowest bid. The lowest bid accepted by the District Forest Officer will be subject to the approval of the Conservator of Forests. Neither the accepting officer nor the approving officer can be expected to assign reasons for accepting or rejecting the lowest or any other bid.

The quantity of sandalwood to be prepared will be 200 tons, more or less, and the contractor is bound to undertake the preparation of the definite quantity to be fixed by the Conservator of Forests.

The successful bidder shall, within fifteen days from the date of intimation given to him of the approval of the Conservator of Forests, furnish a security deposit of Rs. 200 in the shape of Mysore Government Savings Bank Account including the initial deposit placed by him and execute an agreement on a duly stamped paper binding himself to observe the following conditions, failing which, the initial deposit will be forfeited to Government and the right put up for recompetition or otherwise disposed of.

Conditions.

1. Rough wood for preparation shall be taken lot by lot in the order shown by the officer in charge of the Koti. Until the lot taken out once is finished the next lot ought not to be meddled with or disturbed.
2. The preparation will commence from 1st July 1924 and will close by the end of April 1925. The progress of work should be to the satisfaction of the District Forest Officer, so as to ensure the preparation of the allotted quantity by the end of the time fixed above. When the progress appears poor to the said officer, he will be at liberty to cancel the contract and make his own arrangements for work.
3. Seventy-five per cent of the allotted quantity should be prepared and assorted by the end of December 1924.
4. The preparation will be done according to the samples shown by the Koti Forester.
5. Billets to be prepared will be 3' in length and saws only will be used for billeting.
6. Saws and other tools in the Koti will be spread for use by the coolies and the contractor will be bound to return them in good conditions. Extra tools required will be supplied by the contractor himself.
7. The contractor will be liable to fine, forfeiture of security deposit or any other punishment provided by law for all the malpractices of himself or his coolies.
8. The work shed must be kept clean by the coolies of the contractor and his coolies will submit to the disciplinary measure that may have to be adopted for the peaceful conduct of work during the contract period and any cooly found disobeying the orders of the officer in charge of the Koti may be turned out of the Koti.

9. For the violation of any of the aforesaid conditions, the whole or a portion of the security deposit will be liable for forfeiture to Government at the discretion of the District Forest Officer. Sandal chips should be separately heaped aside at the aside of each day's preparation so as not to allow them to waste.

10. Axes should not be used for the preparation of roots.

11. The contractor will be bound to supply coolies for stock-taking if required and to receive payment at four annas per ton of wood weighed out.
